Target Market	Description of target market, including likely objectives, financial					
	situation and needs					
	The features of this product have been assessed as meeting the <i>likely</i> objectives, financial situation and needs of consumers who:					
	 meet the eligibility criteria, including: being an Australian resident; and having a satisfactory credit rating; are: self-employed; or 					
	 self-employed; or an Australian registered company; or a trustee of an Australian family or unit trust (the beneficiary and Trustee must meet the eligibility criteric of an individual or a company; require a loan to fund the purchase or refinance of an owner occupied or investment residential property; require the option of a variable or fixed interest rate; require the option of a sub-offset account; require the ability to make extra repayments; and require the option of either principal and interest or interest only repayments. 					
	Variable Rate Whilst variable interest rates may fluctuate, the product meets the likely objectives, financial situation and needs of consumers in the target market because it provides consumers with the ability to make additional repayments and/or deposit funds into a sub-offset account to reduce interest payable.					
	Fixed Rate					
	Whilst the product has a limit on additional repayments the product meets the likely objectives, financial situation and needs of consumers in the target market because the fixed rate provides certainty of repayments during the fixed period, making consumer budgeting easier.					
	Owner Occupied Residential Property					
	This product allows consumers to finance the purchase or refinance of an owner-occupied residential property with the ability to select principal and interest or interest only repayments.					

	Investment Residential Property				
	This product allows consumers to finance the purchase or refinance of an investment property to earn rental income whilst providing consumers with the ability to select principal and interest repayments in order to reduce the overall debt and build equity or interest only for				
	tax purposes.
