Version	3.0					
Date of TMD	31 March 2024					
Target Market	Description of target market, including likely objectives, financial					
	<i>situation and needs</i> The features of this product have been assessed as meeting the <i>likely</i> <i>objectives, financial situation and needs</i> of consumers who:					
	 meet the eligibility criteria, including: being an Australian resident; and borrowers that have experienced one or more life events or mortgage arrears, or require alternative income verification; 					
	 are: self-employed; or PAYG; or an Australian registered company; or a trustee of an Australian family or unit trust (the beneficiary and Trustee must meet the eligibility criteria of an individual or a company; require a loan to fund the purchase or refinance of an owner occupied or investment residential property; require a loan for debt consolidation; require a variable interest rate; require the option of a Full or Alt Doc; require the option of a sub-offset account; require the ability to make unlimited extra repayments and access redraw; and 					
	• require the option of either principal and interest or interest only repayments.					
	Variable Rate					
	Whilst variable interest rates may fluctuate, the product meets the likely objectives, financial situation and needs of consumers in the target market because it provides consumers with the ability to mak additional repayments and/or deposit funds into a sub-offset accou to reduce interest payable whilst retaining the ability to draw on tho funds when required.					
	Owner Occupied Residential Property					
	This product allows consumers to finance the purchase or refinan of an owner-occupied residential property with the ability to selec principal and interest or interest only repayments.					

Investment Residential Property

This product allows consumers to finance the purchase or refinance of an investment property to earn rental income whilst providing consumers with the ability to select principal and interest repayments in order to reduce the overall debt and build equity or interest only for tax purposes.
